MEMORANDUM FOR: Office of General Counsel

SUBJECT: Education Allowance for Children of 25X1A
25X1A

1. The attached request is hereby forwarded for your opinion as to whether payment may properly be made and, if so, which Agency Regulation would be applicable. The pertinent facts of the case appear to be:

a. Subject is on detail to CIA from the Navy and is authorized only allowances of his parent service.

b. Naval oil inspectors not detailed to CIA are furnished schooling facilities which the ones detailed to us are not.

c. The Naval allowance for tuition is grossly inadequate and evidently does not contemplate peculiar situations such as face CIA employees.

2. An early opinion would be appreciated.
